How It All Started

On April 1st, 2009, the Arafa Family had committed themselves and purchased the Cahill Diner. Moody and Zeze have been in the restaurant business for over 30 years. Having previously owned restaurants in the past they are very excited to have the opportunity to take Cahill Diner to the next level of customer service and food quality. Zeze has a lot of experience in home cooked meals raising five children. She loves to bake and likes to put an ethnic twist to the basic foods.

Thank you for dining with us and we hope you enjoy your experience!
